Product Name :
Laser Marking Machines

Product Code :
EQUP-MC20087-0047

Description :

Laser Marking Machines

Technical Specification :

Usage/Application Coding
Material Stainless Steel
Marking Depth 0.1 mm
Supporting Format BMP
Marking Speed Capacity 8000 mm/s
Offering Laser Lldpe Drip Lateral, Hdpe Pipes, Cables
Voltage 230 Vac
Automation Grade Automatic
Power 300 W
Marking Area 50 x 50 mm

Laser Marking Machines is ideal for Numerous Marking Applications & Hallmark Centers with Life Time Support.
