

Product Name :
Bottle Rinsing, Filling And Capping Machine

Product Code :
EQUP-MC20087-0100

Description :

Bottle Rinsing, Filling And Capping Machine

Technical Specification :

Capacity (bottles/min) 120 BPM
Driven Type Electric, Mechanical
Machine Type Automatic
Voltage (V) 415
Condition New
Automatic Grade Automatic
Material SS

Bottle Rinsing, Filling And Capping Machine (RFC Machine)
