

Product Name :
Food Cashew Processing Machine

Product Code :
EQUP-MC20018-0014

Description :

Food Cashew Processing Machine

Technical Specification :

With the endorsement of our experienced professionals, we are engaged in offering a wide range of Cashew Processing Machine . The offered Cashew Processing Machine is designed as per the latest technological advancements using top grade raw material under the direction of our skilled professionals. This Cashew Processing Machine is acknowledged for operational fluency, & robust construction. We offer this Cashew Processing Machine in numerous specifications as per the customers specific demands.

Features of Cashew Processing Machine :

- Longer working life
- Sturdy structure
- High performance

Automatic Grade

Automatic

Capacity (kg/hr)

100 to 5000kg cashew kernel output per shift
