Description :

Army Military 28 Layers Tactical Ballistic Vest , Polyester Outer Lightweight Bullet Proof Vest

Technical Specification :

This plate carrier is designed based on the mentality of "lighter is better", with a minimum of frills, but a ton of function. there are several rows of MOLLE/PALS style webbing with built in matching loop material on the top three rows for the option of attaching patches or ID panels. Made for one size to fit most body types, the shoulder straps are adjustable and integrated elastic side straps keep a snug fit while still allowing for unexpected dynamic motion. The inside faces of the carrier are lined with air mesh for comfort and breathability.
