

Product Name :
Army Military Flame Resistance Body Anti Riot Armour Full
Body Armor With T Baton

Product Code :
EQUP-MC20006-0009

Description :

Army Military Flame Resistance Body Anti Riot Armour Full Body Armor With T Baton

Technical Specification :

Our products provide a complete protection from impacts generated by stone or metallic projectiles, designed by flame resistance and reinforced PA material to protect chest, back, shoulders and arms and with modular flex design allowing all shapes and sizes to fit comfortably, providing also maximum mobility. The Lightweight suit gets high marks for being easy to get into and out of quickly.

Front and back hard-shell panels have a modular flex design that allows a comfortable fit for all shapes and sizes without sacrificing mobility. Knee/ shin guard has a non-slip surface, keeping you planted in position. Each piece of the suit fastens and adjusts quickly with durable nylon straps, quick-connect clips for a custom fit
