

Product Name :
Automatic Water Bore Well Drilling Machine

Product Code :
EQUP-MC20141-0001

Description :

Automatic Water Bore Well Drilling Machine

Technical Specification :

We are the leading entity in the industry, highly engaged in offering the best quality range of Tractor Mounted Core Drilling Rig.

Product Type : Bore Well Drilling Machine

Operation : Semi-Automatic

Hole Diameter : 200-250 mm

Work Pressure : 1-2 Pa

Equipments Machines Manufacturers China
