Product Name :
Full-Automatic Thermoforming Vacuum Skin Packaging
Machines

Product Code :
EQUP-VM20320001

Description :

Full-Automatic Thermoforming Vacuum Skin Packaging Machines

Technical Specification :

Double-side Photocell Tracking
Fillet & Easy Tear Notch Punching
Mobile Printing Device
Automatic Deviation Rectification System
Dotted Line Packing Device
Whole Special Shape Punching
Width of Top Film: 398mm 498mm
Width of Bottom Film: 424mm 524mm
Vacuum: ?200Pa
Compressed Air: ?0.6Mpa
Air Consumption: ?0.6m³/min
Air Filling Pressure: ?0.2Mpa
Punching Speed: 4-6p/min
Air Filling Connector: Ø16PU tube
Cooling Water: ?0.15Mpa
Power Supply: 380V/50HZ
Total Power: 12~18KW
