Product Name :
Cup Volumetric Filler Packing Machines

Product Code :
EQUP-CM20380001

Description :

Cup Volumetric Filler Packing Machines

Technical Specification :

Filling Range: upto 5 K.g (as per req.)
Sealing type: Center Seal
Max. Film Width: 700 mm
Packing Speed: 30-100 Pouch Per Minute
Power Load: 5 KW, 3 Phase
Air Consumption: 6.0 Kg/Sg.cm
Stainless steel 304 Food Grade
Infeed Screw Elevator/Bucket elevator with base hopper and level sensor (optional)
Pouch take off conveyor (optional)
Date coding unit (Optional)
