

Product Name :
Food Horizontal Flow Pillow Packaging Machine

Product Code :
EQUP-MC20019-0001

Description :

Food Horizontal Flow Pillow Packaging Machine

Technical Specification :

As an automatic machine, the horizontal flow pillow packaging machine is made of stainless steel, which is clean and hygienic, in line with sanitary management standards, and adopts temperature vertical PID control, suitable for a variety of packaging materials, system refinement, high work efficiency, and easy maintenance.
