

Product Name :
EOD Non-Magnetic Tool Kit

Product Code :
EQUP-MC20282-0009

Description :

EOD Non-Magnetic Tool Kit

Technical Specification :

The 21-Piece Non-Magnetic Tool Kit is designed for bomb disposal applications. All tools are manufactured from beryllium copper alloy. It is an essential tool when the explosive disposal personnel take suspicious explosives apart in order to avoid producing sparks because of magnetism. All tools are packed in a rugged duty fabric carrying case with non-magnetic fittings. The case has individual cutouts in foam trays provides an excellent tool control system which clearly shows if any tool is missing.
