

Product Name :
Explosion Searching Suit for Military and Police

Product Code :
EQUP-MC20282-0022

Description :

Explosion Searching Suit for Military and Police

Technical Specification :

Explosion Searching Suit is designed specifically for personnel searching and clearing of mines and terrorist explosive devices. Although the Search Suit does not offer the higher protection of the EOD Bomb Disposal Suit, it is much lighter in weight, provides all-round protection, it is comfortable to wear and allow virtually unrestricted movement.
