

Product Name :
High Sensitive Listening Through Wall System and
Listening Device

Product Code :
EQUP-MC20284-0012

Description :

High Sensitive Listening Through Wall System and Listening Device

Technical Specification :

This multi-function stereo listening through wall device is the most updated one in similar products nowadays, which can give listener the clearest audio information they are going to know. This is a special amplifier that will pick up the slightest noise through solid objects like a wall, so you can listen to what is happening on the other side.
