

Product Name :
Protective Safety Full Face Mask

Product Code :
EQUP-MC20192-0002

Description :

Protective Safety Full Face Mask

Technical Specification :

Cyanogen chloride life: more than 50 minutes at 30L/min, 1.5mg/L and 80% RH conditions.

Oil mist penetration coefficient: less than 0.005% at 30L/min

Inhalation resistance: less than 196 Pa at 30L/min

Exhalation resistance: less than 100 Pa at 30L/min

Visual field: total (more than) 75%, binocular visual field (more than) 30%

Weight: Weight of a complete set of the gas mask approx. 840 grams
