

**Product Name :**  
Vacuum Meat Mixer

**Product Code :**  
EQUP-MC20199-0005

**Description :**

Vacuum Meat Mixer

**Technical Specification :**

Microprocessor PLC  
frequency converter  
hydraulic cover control  
deflection of the drum by hydraulic drive  
vacuum  
equipment can perform massaging and mixing  
equipped with replaceable blades  
possibility of smooth speed control  
automatic control of vacuum level and time of process continuation
