

Product Name :
Nugget Stein Preduster Flour Applicator and Pre-dusting
Machine

Product Code :
EQUP-MC20204-0014

Description :

Nugget Stein Preduster Flour Applicator and Pre-dusting Machine

Technical Specification :

Belt width: 200mm
Belt speed: 7m/min(optional Frequency conversion)
Power: 1.35kw
The electricity: 380V/50Hz,3P,415v,220v,3p
Input height: 710?770mm
Output height: 730?800mm
Overall dimension: 2000x780x1420mm
Bottom power volume adjustment handle
Electric box
Screw:recycling flour.
upper power volume adjustment handle
