

Product Name :
Construction Crawler Cold Milling Machines

Product Code :
EQUP-MC20071-0005

Description :

Construction Crawler Cold Milling Machines

Technical Specification :

Max. Milling Width: 2100 mm
Max. Milling Depth: 0-320 mm
Driving Type: Track

Engine model	Imported Cummins
Rated power/speed (kw/rpm)	447
Travel speed (km/h)	0-5
Gradeability (%)	280
Operating weight (kg)	32500
Max. milling width (mm)	2100
Max. milling depth	0-320

(mm)
