

Product Name :
Packing Linear Bottle Unscramblers

Product Code :
EQUP-MC20085-0049

Description :

Packing Linear Bottle Unscramblers

Technical Specification :

Power Source Electric
Application Beverage, Chemical, Commodity, Food, Medical
Packaging Type Bottles
Packaging Material Wood
Driven Type Electric
Power 1.5kw
Weight about 300kg
Dimension 2000*1200*1000 mm (L*W*H)

Features:

- Type: Other
- Condition: New
- Automatic Grade: Automatic
- After-sales Service Provided: Engineers available to Service machinery overseas
- Product name: linear bottle unscrambler
