**Product Name :**  
Packing Air Jet Cleaning Machine

**Product Code :**  
EQUP-MC20085-0062

**Description :**

Packing Air Jet Cleaning Machine

**Technical Specification :**

Machine Type Automatic  
Usage/Application Glass,Plastic,Pet,Tin,Corrugated containers  
Features No bottle and Jam Bottle -Machine stop

The Air Jet Cleaning Machine is compact in size, rugged, versatile and engineered for reliability and enhances Operation Efficiency, which confirms to High Standard Engineering Design / Workmanship.
