

**Product Name :**  
Dauble Chamber Vacuum Packager

**Product Code :**  
EQUP-MC20086-0036

**Description :**

Dauble Chamber Vacuum Packager

**Technical Specification :**

Phase Three Phase  
Chamber Type Double  
Sealing Length 500 mm  
Automation Grade Semi-Automatic  
Voltage 180  
Power 220  
Weight 150 kg

Being leaders in the market, we are manufacturing, trading, distributing, retailing, importing and supplying a precisely design Chamber Vacuum Packaging Machine. Removes all the air from the pouch before sealing, the offered packaging machine is designed using top quality raw material and modern technology under the guidance of our skilled professionals. Moreover, our clients can avail the offered packaging machine from us at nominal rates.

**Features:**

- Well-built construction
- Consistent performance
- High functionality
