

Product Name :
Manual Sticker Labeling Machine

Product Code :
EQUP-MC20086-0038

Description :

Manual Sticker Labeling Machine

Technical Specification :

Usage/Application Sticker Labeling machine

Bottle Type Round Bottle

Material M S Powder Coating

Type Labeling Machine

Speed 10 - 30 pcs/min

Capacity 10 - 30 pcs/min

Automation grade Manual

Voltage 180 V

Phase Singhal Phase

Due to our enormous manufacturing facilities, we are able to provide a comprehensive assortment of Manual Round Bottle Labeling Machines which is highly acclaimed and acknowledged in the market for their rugged construction and high strength attributes. Manual Round Bottle Labeling Machines offered are obtainable in varied specifications as per the needs and demands of our clients.
