

Product Name :
Semi Automatic Flat Labeling Machine

Product Code :
EQUP-MC20086-0040

Description :

Semi Automatic Flat Labeling Machine

Technical Specification :

Usage/Application Bottle Sticker Labeling machine
Bottle Type Flat Types
Material M.S.Material
Type Flat
Speed Variable
Capacity 25 - 50 pcs/min
Automation grade Semi-Automatic
Voltage 180 V
Phase Singhal Phase

With our proficiency in this relevant domain, we are able to provide an optimum quality assortment of Semi Automatic Round Bottle Labeling Machine in the national market. These offered machines are stringently examined and tested by our quality controllers on varied parameters to make sure their perfect delivery at clients end. Apart from this, these products are highly appreciated in the market.

Features:

- Corrosion resistant
- High strength
- Hassle free functionality

Additional Information:

· Pay Mode Terms: T/T (Bank Transfer), Other
Production Capacity: 35-40 ppm
